

WELCOME TO CASTLEMAINE SAC'O'SUDS LAUNDERETTE

Here is some information we would like to share to make your time more enjoyable...

About the auto detergent

If you have forgotten to bring detergent, no worries! Use the auto detergent that is included with your wash. Our detergent is locally made by Bendigo Bill from a blend of anionic and non-anionic surfactants. It is biodegradable, grey water safe and contains pure eucalyptus oil.

How to use your own detergent

If you prefer to use your own detergent, that's fine too. Just switch the setting to **manual detergent** with the grey dial when you are choosing your water temperature. You can add your own to the top of the machine; just follow this guide:

Starting the machines

Payment doesn't start the machines; you need to be sure to **push the GREY start button** on washers and dryers to get things going.

IS THE WASHING MACHINE
SHOWING AN ERROR MESSAGE?
DID YOU PUSH THE RED BUTTON?

Whoops! The red button is an emergency stop button, NOT a start button! If this causes an ERROR message, you can release it. Just turn the red button to the left and then push the grey start button twice to get the cycle going again.

Check you've got everything

Please be sure to check washers and dryers before you leave to make sure you have everything. We have a lost and found basket; please ask us if you are missing something. **Unclaimed items will be disposed of after 30 days.**

Can't see the dryers?

We have six dryers up the back, opposite the lockers. Just look for the 'DRY' sign.

Our flowers @handpickedfloristry

Don't you love our gorgeous flowers? Each month Hand Picked Ethical Floristry brings us a beautiful new arrangement of locally sourced blooms.

FREE laundry with Orange Sky Every Thursday 1pm to 3pm

Sac'O'Suds Laundrette has partnered with Orange Sky to provide free washing and drying and the opportunity for some positive connection and conversation with volunteers in Castlemaine. If you are doing it tough, or are just looking for some positive connection, then bring your washing, or just yourself along to one of our shifts.

We Pay The Rent in Castlemaine

The PTR concept transfers funds from grassroots to grassroots; it doesn't involve politicians or bureaucrats. The funds go directly to local Aboriginal and Torres Strait Islander Peoples via a local Aboriginal Elders controlled group. If you decide to become a part of the Pay The Rent Scheme, you will be supporting Aboriginal and Torres Strait Islander people in and around Castlemaine reach their full potential. Information from Castlemaine Pay The Rent. To find out more go to castlemainepaytherent.net

We care about our environment

We reduce, reuse and recycle; we have solar power and purchase carbon offsets to balance our consumption.

Kids are welcome

Children are welcome to enjoy the space, but **must be supervised**.

Pets welcome, but not their blankets

We are happy to have pets at Sac'O'Suds, however please be aware of the comfort of other customers around animals. **We do not allow pet beds/blankets in the machines.**

Supporting our community

We sponsor or support the following:

- 94.9 Main FM
- Castlemaine Art Museum
- Castlemaine Football and Netball Club
- Castlemaine Fringe
- Castlemaine Community House

Coming workshops

Laboratory Art Binge; Queer Book Club; Darning & Repairing; . See sacosuds.com.au website calendar for further details.

Troubleshooting: machine leak

If a machine is leaking water it is most likely because it has been loaded incorrectly and the door cannot seal properly.

- Please **STOP THE MACHINE** using the red button.
- Open the door and make sure there are no items blocking the seal.
- Close and lock the door.
- Twist the red button to the left to release and restart the machine.
- You can use the rags provided in the box under the folding table if you would like to mop up. Kindly text 0460 309 776 to report the incident.

Public toilets

You will find toilets across the road behind the post office, or at the Library. Toilets are not available to the public at SacOSuds.

Free wifi available
